Out of Stock/Back Order Policy: Just in case we are temporarily out of stock of one or more of your selections,... never fear, our "stuff" is constantly in the process of being grown, crafted, produced or harvested and should be available soon.

Your satisfaction is very important to us, therefore we offer you the following list of options of what we can do, please check which option you prefer: SIMILAR SUBSTITUTION: We will substitute the closest product to what you have ordered. If the cost is less, we will credit your account. If the product cost is higher, there are no additional charges to you. If you are not completely satisfied, please call and we will ensure your satisfaction. BACK ORDER: There are no similar substitutions. We will place your order on backorder and the product will be shipped to you when it arrives. We will contact you before we ship. If this not acceptable, please contact us. If you order is on a credit card it will not be charged until the product is shipped. (No additional freight charges will be incurred). ☐ Back Order not acceptable – Cancel any item that cannot ship.
